This year's turkey raffle was a great success thanks to our members who attended with their family and friends as well as spread the word to their neighbors; we hope to have the same for this coming ham raffle.

Trout Pond – The trout pond will be open for ice fishing as soon as the ice is safe, a notice will be posted in the clubhouse and on the website notifying the members when it is open. Please use your best judgment at all times while on the ice, there is still a 3 fish limit per day.

Pistol League – The league has started for the new season with matches being held on Wednesday nights and practice on Monday nights. The new schedule will be posted inside the indoor pistol range. At this time we only have 2 regular instructors. If we do not have more people to volunteer, this program will not be able to continue as it has. You do not have to be an expert archer to help support this program. Please contact Tracey for more information.**

For the Good of the Club

Please remember that All repairs to the Indoor Pistol range are to be performed by Authorized personnel Only, some of the light fixtures have been damaged by well meaning members changing the bulbs.

It is every members responsibility to pick up the ranges when they are through, we will be monitoring activity and asking members who do not pick when they are through to appear before the E-Board to explain the reasons they failed to clean-up their trash.
