Sell your 2 books and get your 2015 Trout Pond Button.

This year's turkey raffle was a great success thanks to our members who attended with their family and friends as well as spread the word to their neighbors; we hope to have the same for this coming ham raffle.

FYI...

Trout Pond – The trout pond will be open for ice fishing as soon as the ice is safe, a notice will be posted in the clubhouse and on the website notifying the members when it is open. Please use your best judgment at all times while on the ice, there is still a 3 fish limit per day.

Trap – Trap shooting is closed for the season and will open the first week in April 2015 weather permitting.

Pistol League – The league has started for the new season with matches being held on Wednesday nights and practice on Monday nights. The new schedule will be posted inside the indoor pistol range. Those interested should watch the newsletter or website for more details or contact Liz Coughlin at 978-758-2680 or lizcoughlin2000@yahoo.com.

Outdoor shooting ranges – The outdoor ranges are currently closed for the Winter and will reopen when the ground thaws in the spring, flags will be removed from the hall and put away until the ranges are opened by the president.

Youth Archery – Youth archery training is on-going, see calendar for scheduled sessions. The classes are being coordinated by Tracey DeBruin. Anyone interested in signing up for classes should contact Tracey at tld143@comcast.net. **Looking for volunteers! We are looking for interested people to assist with teaching our**

archery classes. At this time we only have 2 regular instructors. If we do not have more people to volunteer, this program will not be able to continue as it has. You do not have to be an expert archer to help support this program. Please contact Tracey for more information.

Recording Secretary – Lisa Delfino will be updating the club calendar as needed, please see her for any updates in a timely manner to allow time for posting the updates.

Work Parties – Please see Doug Marinel for a list of tasks that need to be done around the club for fall clean-up, please watch the club website or the calendar inside the clubhouse for any scheduled work parties in the future. For the Good of the Club

Please save your pull tabs for Walter Bayliss who collects for Charity

Please remember that All repairs to the Indoor Pistol range are to be performed by Authorized personnel Only, some of the light fixtures have been damaged by well meaning members changing the bulbs.

It is every members responsibility to pick up the ranges when they are through, we will be monitoring activity and asking members who do not pick when they are through to appear before the E-Board to explain the reasons they failed to clean-up their trash.
